

# THE GLOBE-REPUBLICAN.

The FORD CO. GLOBE, Established 1877.  
The FORD CO. REPUBLICAN, " 1886. Consolidated, 1889.

DODGE CITY, KANSAS, THURSDAY, JUNE 28, 1900.

TWENTY-FOURTH YEAR. VOL. XXIII, NO. 38.

## THE WHEAT HARVEST.

### Fair Weather and a Good Crop.

Fair and warm weather during the past two weeks has enabled the farmers of Ford county to shock and stack the wheat crop. Farmers have used both binders and headers, and the crop has been gathered without loss. The yield of wheat is fully up to expectation, the quality exceeding that of former years.

J. K. Sayre, of southeast Gray county, informs us that farmers were in the midst of the harvest on Monday. The farmers of Gray county have a larger wheat acreage than last year. The crop of this year is better than the famous crop of 1892, when there was an extraordinary yield. The average yield this year will be 25 to 30 bushels to the acre. There were no weeds in the ground and the grain is in clear condition. No such crop has been had since 1892, in character of grain and yield. In ordinary years there are only 8 to 14 grains in a head, but this year there are from 25 to 50 grains in a head and most heads have three grains in a mash.

The shocks in the wheat fields of C. M. Beeson stand thicker than we ever saw wheat shocks. Mr. Beeson will have a yield of from 25 to 30 bushels to the acre, while much of the grain will yield 35 bushels. The grains are large and plump and well filled.

G. M. Hoover and G. T. Clayton have about finished the wheat harvest. While we visited the fields Mr. Clayton was using the header. The grain is fine and the wheat in these fields will yield from 20 to 30 bushels to the acre.

D. Brooks, who has traveled over a good portion of the western part of the county, says the wheat is excellent, and the grain has been gathered without damage. In the fields of Wm. Riekman, Martin Stohr and others the grain will yield fully up to expectation.

Ed. S. Sims was in Ford township, Monday, and put up a binder for A. J. Foskuhl. C. E. Lane, an expert, of Belle Plaine, Kas., said Mr. Foskuhl's wheat would yield 35 bushels to the acre. Those Weston would have 35 bushels to the acre. All wheat fields were being harvested and the grain was in good condition in Ford township. Encouraging reports come from all over Ford county about the fine harvest.

The probable yield of wheat in Ford county will not be less than 500,000 bushels, at an average yield of 20 bushels to the acre.

Threshing will begin at once.

## SCATES' INTERVIEW.

The Leavenworth Times of Sunday contains the following interview with T. A. Scates:

Thomas Scates, register in the government land office at Dodge City, was in the city yesterday in company with Morton Albaugh, chairman of the state republican central committee, on business before the federal court.

During the afternoon Scates and Albaugh called upon Senator Baker and had a conference upon political matters. Scates was seen by a Times reporter just before he left for home and asked the result of his conference with Senator Baker.

"We were talking over the political situation with the senator and we feel very well satisfied with the prospects of the coming election," said Scates.

"Burton can talk through his hat as much as he wants to," he said, "when it comes to the election of the candidates for the legislature he will be found wanting. He has made a great calculation on what he has got but it looks as if the most of the men whom he claims to have for him have declared for Senator Baker. Burton has been making strong claims in the big seventh district but it will be for Baker."

I am very well satisfied that Senator Baker will succeed himself to the United States senate. He has given the people of our part of the state the best of satisfaction and they believe in keeping a good man in the place."

Mr. Scates talked interestingly of western Kansas from a financial view for the year. "Going to have one of the best years we ever had," said he. "Wheat is going to make one of the biggest crops in the history of the west. The farmers about Dodge City are talking of 30 bushels to the acre and I guess it will make it. We have had fine weather all through the counties which my territory embraces and the prospect is fine. Corn too promises a big crop. It is growing finely and if this weather continues there will be a great crop. The farmers are in the midst of the wheat harvest now."

The land office territory of which Mr. Scates is the register, formerly embraced the three districts of which Wichita, Garden City and Dodge City were the headquarters. These have been combined into one territory with the office at Dodge City.

"There is more business in the land office than one would suppose," said Scates. "There are a large number of people who are taking up homesteads this year in western Kansas."

"You see a large part of the land has

already been homesteaded but the people who took up the claims allowed them to lapse and they have gone back to the government. The country is now being settled all over again. During the boom times a large number of claims were taken, particularly timber claims, but a large number of these have gone back to the government. On the homesteads if the settler does not prove up in eight years these also revert to the government. "The activity in the west now is very healthy and the people who are taking up claims will improve them. Many of them are being taken up by the children of settlers already there."

## The Fourth in Dodge City.

There will be a few picnics and social gatherings on the Fourth of July in different parts of the county, but the majority of people are coming to Dodge City on the Nation's great day. There will be an abundance of everything for enjoyment and comfort—plenty of soda water, ice cream and lunches which can be had cheaply. The park is in fine condition, and the immense foliage will make delightful shade. The speaker is fully equipped for that day, and the program will be carried out as published. Everything will be done for the enjoyment of the people. The parade in the morning will be a grand thing, and every body will come early to be on hand to see the first thing going. The American eagle will screech louder on the Fourth than he ever did before in his life. Uncle Sam is full of enthusiasm, and the fire cracker will make a louder noise. COME.

## A Circulating Library.

A. W. Vandeman, representing the Northwestern Library Co., is in the city soliciting subscribers and expects to establish a circulating library in Cimarron. He has raised clubs and established libraries in nearly all the towns on the Santa Fe line from Pueblo to this point, viz: Manzanola, Las Animas, Lamar, Granada, Holly, Amityville, Coolidge, and Syracuse.

The plan is admirably adapted to the needs of small towns, and puts a library of good standard literature within easy reach of the many families who cannot afford libraries of their own. To establish this library a club of thirty names is required to take membership at \$3 each. This gives thirty families access to a library of 1,000 volumes of good literature for a period of five years. Books come in twenty sections of fifty volumes each and are exchanged every three months. Our citizens will never have a more liberal offer to procure a first-class library, and should not hesitate in taking hold of it. This library covers a wide scope of good reading matter and will furnish healthy food for the minds of our young people. The value of such a modern library placed before our readers, and ought to be and will be readers, both young and old, cannot be computed.

Mr. Vandeman is meeting with good success, and hopes to be able to open the library to the readers by the first of next month. Several exchanges west of us where these libraries are circulating speak very highly of them.—Cimarron Jacksonian.

Mr. Vandeman has secured about half of the list he desires for Dodge City. He is much pleased with the interest the people have in the matter.

## A Card of Thanks.

I wish to say that I feel under lasting obligations for what Chamberlain's Cough Remedy has done for our family. We have used it in so many cases of coughs, lung troubles and whooping cough, and it has given the most perfect satisfaction, we feel greatly indebted to the manufacturers of this remedy and wish them to please accept our hearty thanks.—Respectfully, Mrs. S. Doty, Des Moines, Iowa. For sale by W. S. Amos.

## National Democratic Convention, Kansas City, Mo., July 4, 1900.

For the above occasion excursion tickets will be sold to Kansas City and return at \$10.15 for round trip. Date of sale, July 2, 3 and 4th. Continuous passage in each direction. Good to return on or before July 9th. By depositing tickets with Mr. Geo. H. Foote, Secretary Local Passenger Bureau, Kansas City, on or before July 9th, to whom a Joint Agency fee of 50 cents must be paid at the time of deposit, return limit will be extended 30 days upon presentation of ticket purchased in Kansas City valued at \$5.00 or more, but in case you purchase round ticket in Kansas City the limit on your return ticket will not be any longer than the limit on the Kansas City ticket, but in no case later than Sept. 30th, 1900. A tourist sleeper will be put on No. 8 at this station July 3rd, for the benefit of passengers going to Kansas City to attend this convention at the low rate of \$1.00. For further information please call at the Santa Fe ticket office.

FRED GARDNER, Agent.

Mrs. E. W. Early, Marion, Ind., who has been ill for years, writes, "I was tired, could not sleep or eat, and was rapidly going into decline. Doctor called it blood disorder, but could not cure me. I am now in perfect health and give all the credit to Beggs' Blood Purifier. W. F. Pine.

## REAL ESTATE SOLD.

Register of Deeds Connaway Reports the Following Purchases of Real Estate.

Augusta Frye, Daun, Mo., ne 22-29-24, \$300.  
W. J. Fitzgerald, ne and e sw 7-27-22, \$160.  
R. J. Burgan, se ne 30-27-21, \$65.

E. E. Smith bought of Mrs. Lucy Grimm, house and lot, \$350.

The members of "The Philomath" club held a meeting in the City park, June 22nd, 1900, and with the charm which informality lends to such an occasion, and the comfort which a cool, shady place affords on a sultry day, it was celebrated. The program for the day consisted in each member of the club telling a short story, preferably an original story, and the character of the study being left to the taste of the individual. The program was made most enjoyable by the bits of pathos, humor, wit and heroism with which the stories abounded. It was generally conceded that the best story was given by the president of the club who chose for her subject "The old woman and the new." The year just closed witnessed some new features in the club work. Paramount among them being the introduction of lecture courses, and the three lectures during the winter were a source of much pleasure to the club and its friends. Altogether the time given to the club has not been unprofitably spent, and entering on our fourth year, we feel that the helpful friendships which have commenced will be made close and strong in the year to come. Those enjoying the hospitality of the club, were, Mesdames Harbst, Green, Stiller, Russell, Rish, Van Horne, Beeson, Summersby, McCormick, Oyler, Welsh, Baird, Pine; Misses Jordan, Hale, Kirkwood, Young, Evans, Rhodes, Milton, Watson, MacMurray.

The Dunkirk (Ind.) Evening Star, June 22, says of the Arnold-Haworth wedding:

Mrs. E. J. Haworth formerly of this city will be united in marriage this Friday, evening at Hutchinson, Kansas, to Augustus Arnold, of Fort Dodge, Kansas, by Rev. Penniman, formerly Pastor of the Congregational church in Dunkirk. Mrs. Haworth left for the West this week where she and her two daughters, Miss Beulah and Miss Vevah expect to make their future home. After the marriage ceremony they will proceed to Fort Dodge, Kansas, which will be their future home and address.

Mrs. Haworth, who has resided in Dunkirk for a number of years, is well and favorably known. She has been an active member in the church and held a prominent position in society.

Miss Beulah is a graduate of the Dunkirk High School and has been a teacher in the Dunkirk Public schools for three years. She was a close and careful student and an earnest and faithful teacher. Miss Vevah had become a member of the high school and both young ladies were quite popular and were appreciated as members of society. Mrs. Haworth and her two daughters will be greatly missed by a large circle of friends in the Crown City.

Dunkirk loses with regret Mrs. Haworth and her accomplished daughters but the citizens of Fort Dodge are congratulated in having them become members of their society.

The Commander and Quartermaster of Lewis Post are both enjoying the facial embellishment of broad grins. These, when the officers meet in back alleys or in Judge Finley's office, explode in bursts of hilarity that remind one of the song of the burro, all because they were not inveigled by the Bojonesse Colonial Dame and great-granddaughter of the Revolution. "No had lost her pocket book (and a \$6 umbrella) and only wanted two dollars and two-fifty to pay her hotel bill, in order not to break in upon a fund which was sacred to the purchase of a ticket to Colorado Springs, where she had an engagement to lecture. But her chinning chicanery was futile. Verily, the fakir eye have with you always!

A fatal policy is to neglect a backache or other sign of kidney trouble. Foley's Kidney Cure is a sure remedy for Bright's disease, diabetes, and gravel. W. S. Amos.

## RAILROAD NEWS.

—Fireman Robert Hodgson is laying off for 15 days.  
—Conductor Jenkins took the soldier train west Friday evening.

—A green fruit special ran Monday with 30 cars of fruit.

—Conductor Geo. A. Conrad came down from Denver this week.

—Conductor R. Harry Howell is laying off to go to California on a visit.

—Conductor Dalton will lay off next week and go to see Bryan re-nominated.

—Mrs. Henry Heustis, wife of Conductor Heustis, is visiting in Oklahoma.

—Brakeman Maddox is out in place of Helm, who is running Dodge's car.

—Sam Mellon is foreman of one of the night switch engines at La Junta.

—Brakeman A. J. Teer and wife are visiting in Paris, Texas, for thirty days.

—Conductor J. M. Dodge and wife have gone to California for an extended visit.

—The Santa Fe line to San Francisco will open for passenger business next Sunday.

Engineer John Shaw, wife and daughter have been in the city visiting this week with friends and relatives.

—Brakeman Wm. Ramsay has been at Chanute for several days on account of the serious illness of a sister.

—Extra-Conductor Weber is running Jastatt's car and E. E. Green is breaking on 31 in place of Weber.

—Brakeman Hamilton has gone away for ninety days to benefit his hay fever.

—Conductor A. C. Jastatt and wife left Saturday morning on No. 6 for a long visit in North Jackson, Ohio.

—Trainmaster Dean and Superintendent Parker were in Dodge Friday evening on their way home from Topeka.

—A special train carrying 230 men and officers passed through here yesterday en route to the naval station at Cavite, P. I.

—Chas. Thomas, formerly a conductor between Newton and Dodge, has been appointed general yard master at La Junta.

—Nearly every train west except the local is a double-header and a majority of east-bound trains are run with two engines in order to keep the power here.

—A new time card will go into effect next Sunday morning. The principal change is in No. 2, which will leave here in the early morning instead of evening.

—The crowd of sight seers that go to No. 2 every evening to "rubberneck" will find that their occupation is gone after this week, unless they get around earlier and go to No. 8.

—We give below a number of rumors taken from Wichita Daily Beacon:

H. R. Nickerson, general manager of the Mexican Central, passed through Newton Saturday on his way to Boston, which gives rise to the rumor that he was going there at the request of the directors of the Santa Fe, who are said to be considering the advisability of depositing Third Vice President Barr and putting Mr. Nickerson in his place.

It is also rumored that F. T. Dolan, superintendent of the Middle division, with headquarters at Newton, will be sent to Texas as the general superintendent of the Gulf, Colorado & Santa Fe. D. D. Bailey, superintendent of the Oklahoma division, with headquarters in this city, is said to be slated to take Mr. Dolan's place.

Mr. Nixon, who is at present the general superintendent of the Gulf, Colorado & Santa Fe, will, it is rumored, be returned to his old place as superintendent of the Chicago division. H. A. Tice, now superintendent of the Panhandle division, at Wellington, will, it is claimed, supersede Mr. Bailey as superintendent of the Oklahoma division in this city.

In the north part of the city there are several homes with wifeless husbands—that is to say, husbands whose wives are visiting, for the summer. A trio of these homeless benedicts thought that a Sunday dinner, manufectured according to the table d'hote, would serve the gastronomic demands, and each guest was to be a host. Jacoby was assigned to the pastry department, and the pie "like his mother used to bake," was served hot and steaming. For lack of "seasoning" it was "flat," a condition experienced cooks avoid, but it was dispatched in true Yankee style. Upon Amos fell the part of cooking the pork and beans, and other vegetables. Besides serving the cream and berries, Crumbine was designated the chef—and he was also dishwasher. That was a dinner fit for a King, as each one partook heartily, and as each plate was served with "more." How long the guests and the hosts indulged in this luxury was not confided to us, but from the fact that one member fell sick is sufficient evidence that the meal was too much indulged, or that the proportions of nutriment were not properly considered. There was either too much protein or too much pie.

# ROYAL Baking Powder

## Absolutely Pure

Makes hot breakfast-breads wholesome—no yeast germs, no alum. Makes cake, biscuit and pastry of superior fineness, flavor and delicacy. Makes food that will keep moist and sweet. Is most economical, because it is the purest and greatest in leavening strength. In the easy, expeditious preparation of the finer cakes and pastries, Royal is indispensable.

Care must be taken to avoid baking powders made from alum. Such powders are sold cheap, because they cost but a few cents per pound. Not only will they spoil the cake, but alum is a corrosive acid, which taken in food means injury to health.

ROYAL BAKING POWDER CO., 100 WILLIAM ST., NEW YORK.

## PROGRAM ON THE FOURTH.

11 a. m. Parade.  
12 m. Basket dinner at Park. Seats and tables will be provided and the citizens with their families are requested to take their dinners to the Park.

1 p. m. Patriotic address by Capt. Clad Hamilton, of Topeka.  
2 p. m. Juvenile sports.  
3 p. m. Broncho race.  
3:30 p. m. Broncho busting.  
4 p. m. Baseball game. Dodge City vs. Garden City.  
9 p. m. Fireworks.

The following is a list of games and prizes.

Wheelbarrow race, 50 yards, first prize \$1, second prize 50 cents.

Sack race, 25 yards, first prize \$1; second prize 75 cents, third prize 50 cents.

Obstacle race, 100 yards, first prize \$1.50, second prize \$1; third prize 50 cents.

Three-legged race 50 yards, first prize \$1.50, second prize \$1; third prize 25 cents.

Foot race, limited to boys of fourteen years of age and under, 50 yards, first prize \$1, second prize 50 cents.

Bicycle race, quarter mile, first prize \$3.50, second prize \$1.50.

Bicycle race, half mile, first prize \$3.50, second prize \$2.50.

Bicycle race, mile handicap, first prize \$5, second prize \$3.50, third prize \$2.75.

Slow donkey race, 150 yards, first prize \$2, second prize \$1.

Broncho race, quarter mile, \$2 entrance fee, \$10 purse added by the association; first prize 40 per cent, second prize 40 per cent.

Broncho busting, \$1 entrance fee, \$15 purse added by the association; first prize 60 per cent, second prize 40 per cent.

There will also be a steer-roping contest.

Baseball prize \$35.

Bicycle race between Lillard Sanders and Bob Lawrence, three times round ring.

These sports and games will be conducted in the Park and on the Race Course.

A dancing pavilion will be erected, and music will be furnished throughout the afternoon.

There will be a Grand Ball at McCarty's Park after the fireworks.

## PROGRAM OF PARADE.

C. M. Beeson, Marshal.

Aids: Jerry Shaw, Frank Chapman.

1. Mayor with orator and guests.

2. Grand Army.

3. Band in uniform.

4. Bicycle turnout, H. Carey, guide.

5. Floats (representing business).

6. Decorated carriages.

7. Fire department.

8. Societies and Civic Orders.

9. Baseball clubs.

10. "Phoenix" Band.

11. Citizens of Ford county, in vehicles.

12. Citizens of Ford county on horseback.

13. Calathumpians.

Prize for best decorated carriage, \$3.

Prize for best made up calathumpian, \$2.

Prize for best decorated bicycle in parade, 1900 Solar Lamp, by Novelty Cycle Works.

Prize for second best decorated bicycle, Voeder Cyclometer, by P. H. Young.

PRIZES GUARANTEED.

Everybody invited to help make this the best parade ever shown in Dodge City. Don't wait for an invitation.

The bicycle section of the 4th of July parade promises to be one of the most interesting features of the day, as nearly all of Dodge City's small army of cyclists have announced their intention to decorate and take part in the procession. The cyclists will form in front of the Novelty Works and proceed to the base ball grounds where the parade will start.

## LESS OF MARCH.

Farm on Ball grounds at east end of Chestnut-st. Move north on Military avenue and Walnut-st to Third avenue, thence south to Chestnut-st, thence east to Railroad avenue, thence south to Front-st, west on Front-st to Bridge-st, and south to Park for dinner.

Committee—W. S. Amos, J. E. Martin, L. J. Pettyjohn, R. M. Rath, Henry Carey.

C. T. Vinson, the cattle and alfalfa king of Gray county, has 700 acres in cane and kaffir corn—530 acres in one body. He has 240 acres of alfalfa, which he cuts three times yearly. Mr. Vinson left last night for Canadian, Texas, to buy 1000 head of cattle.

There will be services in St. Cornelius church next Sunday, morning and evening. Morning prayer and sermon at 11 a. m. Evening prayer and sermon at 8 p. m. Sunday school at 10 a. m. Subject of sermon in the evening, "Imperialism." All are invited.

The house of E. L. Hall, who lives on the bottom south of the river, in Gray county, was consumed by fire on Friday last. The contents of the house was burned. No one knows the origin of the fire. Mr. Hall's house had four rooms, and was occupied by his sister, Mrs. McDowell and daughter. The house had been newly painted and carpeted. At time of the fire the family was attending closing exercises in Mrs. Thome's school, 500 yards distant. The citizens of Cimarron raised \$35 to help Mr. Hall in his distress.

## Letter from the Philippines.

Miss Mertie Gray, of Fort Dodge, has received a letter from her brother, Geo. Gray, Co. F. 44 Reg., dated May 11, 1900. P. I. George writes that he is getting along well, but he had two bullet wounds in his hip and one back of his knee, which were mending fast. An account in a Manila paper gives the particulars of the fight in which Gray was wounded. Two men were killed and four wounded in this engagement. The insurgents had attacked the American garrison at Barotac, which was held by Lt. Koontz and twenty men of Co. F. 44 Reg. The men held their ground firmly until reinforced by Co. L, under Capt. Whipple. The number of insurgents was estimated at 350. Lt. Koontz and men were highly complimented for ability displayed.

Krause's Little Liver Pills, through their action on the liver and bowels, have met with decided success, in quickly relieving the various forms of constipation and biliousness. Sold by W. F. Pine.

FO SALE—A quarter section of land on Duck creek—creek runs through the land; stone house; all wire fenced. Inquire of A. HANNA.
